

RMBCC ANNUAL AWARDS – 2002

Our members and their beardedies were active in agility, conformation, herding, and obedience in 2002. It is very nice to see so many of us branching out in new areas. We have such a versatile breed and they just love having a "job" to do with their owners. Congratulations to all of you and keep up the good work!!!

RMBCC Special Recognition Award

This year the board created a Special Recognition Award to honor beardies and/or members of our club that have accomplished something special over the previous year. The first recipient of this award is “Becket” (Ragtyme Talkin’ Up A Storm). Becket was the first beardie in Colorado to earn the BCCA versatility and versatility excellent awards, the first in Colorado to earn MX and AXJ agility titles, and she is a certified therapy dog. She and Kim has been an inspiration to all of us and we are honored to present them with the Special Recognition Award.
