2004 RMBCC Special Recognition Award

We would like to nominate Nancy Shock for the RMBCC 2004 Special Recognition Award. Nancy has worked tirelessly on our successful BCCA National Specialty. As our Show Chair, she was a “fearless leader” in several controversial and stressful situations. As she said during our work on the Specialty, “After this I will be able to conquer world peace!” She advised and helped the committee members, but also let them make their own decisions. We will also acknowledge that she did not participate in any of the events with her dogs at the Specialty, although the show was in her “backyard”. Nancy also did not let our success go unnoticed by the BCCA. Our final numbers are an example of the devotion that she gave to this event; BCCA Rescue \$3,220.80, BCCA profit \$9,835.85, and RMBCC profit \$3,278.62. With her leadership and help from fellow RMBCC members, we are reporting a record balance in our checking account. And Nancy has also stepped up to the plate to take on the Presidency for our upcoming year, as she’s done several times in the past.

Nancy obviously has a lot of love for the breed and the people involved in our club. She helps with BCCA Beardie Rescue and has been a mentor for several new Beardie owners. This true devotion to Beardie Collies, their families, and the club makes her a clear winner for this award.
